

Relations with Election Authorities
(Voter Registration)

In order to encourage voter registration, the Board authorizes all high school principals or their designees to serve as deputy county clerks and recorders for voter registration purposes only.

Students, district employees, persons attending school functions or any other person who is eligible to vote and who resides in the county where the school is located may be registered by a high school deputy clerk.

In accordance with law, voter registration may be available at any school facility at any time the school building is open including but not limited to such functions as parents night and back-to-school night.

Adopted: December 2, 1992
