

# December 2017 Menu

Hanover School District's Nutrition Services Department believes that you cannot teach a hungry student. So we take great pride in our meals and want to help students to be healthy and well-nourished so they can be better students! We offer Scratch Cooking on our menu at all grade levels. Check out our website @ [www.hanoverhorns.org/nutrition](http://www.hanoverhorns.org/nutrition) to learn more about our program, find information and more. Online account statements are readily available and payments can be made at [www.ezschoolpay.com](http://www.ezschoolpay.com) It is simple, safe, and secure!

**Apply Now!**  
**Free & Reduced Lunch**  
**Registration is Now Open!**

Applications must be submitted EVERY YEAR.

The last day to eat breakfast and lunch based on 2015-2016 Free/Reduced benefit status is Thursday, September 29, 2016.

Please submit your new free and reduced meal applications as soon as possible to your school! If your family qualified for meals last year, a new application must be complete before Sept 26th to avoid the loss of current benefits. Families that did not qualify last year need to complete an application as soon as possible so we can process them to determine benefits. Applications can be accessed on line to print for your convenience, or front office of each school, or the Food Service Department. Please return to your child's school secretary, kitchen manager, or the Food Service Director Jasmin Levy so that your application may be processed as soon as possible and your benefit eligibility status updated accordingly.

## Tuesday      Wednesday      Thursday      Friday

1% Plain, FF Strawberry, FF Chocolate, Lactose Free, & Soy Milk Served Daily
