Enroll TODAY in the Hanover Online Academy (grades 6-12)

Hanover School District has opened a new **6-12 online school**. Enrollment is open to anyone in the state of Colorado. The platform used for the classes is by FuelED, and includes a highly qualified teacher for each online class. Students will not be required to physically attend Hanover School District. The course catalog is extensive.

Regular AND Career and Technical Education courses are offered **FREE** of charge. Concurrent enrollment with Pikes Peak Community College is also offered. Registration is open. Call to get the information needed on how to register.

The Hanover Buzz

September, 2017

Meeting the Needs of All Learners

As parents we know that each of our children is different. They play with different things, like different foods, wake up at different times, like or are afraid of bugs, and more. We end up adapting our parenting to meet our kids' differences.

Hanover School District understands this very well. Over the past few years the district has been adapting to our students.

- (1) created an online school.
- (2) students can take college courses at Pikes Peak Community College.

(3) some students are transported to a neighboring district for such things as welding classes.

(4) 24 career and technical education clusters are offered to all high school students.

(5) added social worker and dean of students positions.

(6) implementing social-emotional learning program for all PK-8 students.

(7) increased the quality of the drama program

Your school district is continuing to find options for our students to

meet their academic needs, be they for college or career skills. It is our goal to graduate productive citizens for our community and society.

Front Range-Midway Solar Project

The Front Range-Midway Solar Project is a subsidiary of Tradewind Energy. The company is planning a 100-megawatt solar array within the Hanover School District. The exact location is west/southwest of Pikes Peak International Raceway, just north of the Waste Management waste dump, and less than 2-miles to the north of Prairie Heights Elementary School.

The project covers approximately 900-acres of land. The project is located adjacent to the existing Western Area Power Administration substations. Shovels will hit the ground by first quarter of 2019, and be complete in 2019.

The project will provide some improvement to the current condition of a key road for use in transporting students, 2-3 full time jobs, 200 construction jobs, and a potential offset of 182,000 metric tons of CO2 annually.

Tradewind Energy has committed to support the school district. One consideration is to build a small solar array at each school site to offset some of the district's utility costs.

In 2016 Colorado ranked 11th in the US for solar installs, and is expected to install over 1,681 megawatts over the next five years.

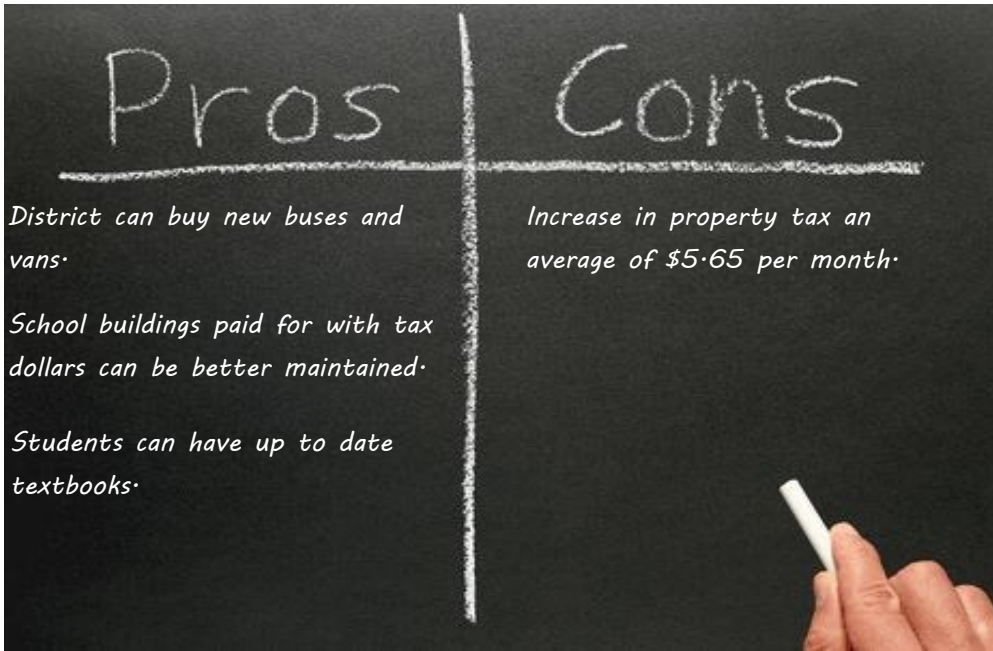

The solar project will provide an estimated \$320,800 in property taxes of which \$25,500 would be for fire, \$103,500 for metro, and \$22,000 for library.

A community meeting will be held on Wednesday, September 13th at Prairie Heights Elementary School starting at 6:00pm. Please plan to attend to hear more about the project and ask any of your questions.

School District Mill Levy Override on Ballot

Hanover School District will have a ballot item on the November election for a mill levy override. There are pro's and con's to the override. If you have any questions contact any School Board member.

La Tour De Hanover Bike Ride

Come join the 2nd Annual La Tour De Hanover bike ride. September 10th, 2017 breakfast at 6:30am ride starts at 7am. All entry's will meet at the fire house for signing in.

Sponsored by the Hanover Community Parks Board, this 44 mile ride features 4 rest stops and the gently rolling to flat terrain of southeastern El Paso County. Funds go to improvements at the Kirk Hanna Park in Hanover. One of the rest stops is a Fireman's pancake breakfast! \$40 entry fee.

Contact Ann Hanna at ahanna@fvs.org to register.

Visit Webpage Weekly for Updated Information

On a near daily, for sure weekly, basis the Hanover School District webpage is updated with new information. Make it a habit to check the webpage daily or weekly. www.hanoverhornets.org

Currently you will see information on a staff member who was recognized by El Paso County Sheriff, a

student who was a Rotary Champion, the Jr/Sr High School received an award, the monthly Golden Apple winners, explanation videos on some how and why topics, the May Board meeting agenda and packet, a link to watch the Board meeting live on your computer, and dates of upcoming events. **Stay Informed !!**
