To: All Hanover Parents
From: Mr. T. McNerney - Interim Superintendent
Subject: Transportation Practice Changes for Student Drop-offs

Good Afternoon:

In an effort to maintain, and improve when necessary, our mission of safety for all students, I want to make you aware of some changes that will be occurring where student drop-offs are concerned.

Beginning Friday, September 25, 2020 the following will be implemented at every student drop-off point at the end of the day or evening:

- All students will have on their person a laminated card that has the following information displayed:
 - ◆ A grade level assigned color (e.g. Kindergarten = blue, 6th grade = orange, 11th grade = green...etc)
 - Pre-K = Animals
 - ◆ The grade they are currently in (e.g. Kindergarten = 0, 1st grade = 1, 7th grade = 7.....etc)
 - ◆ The students initials displayed (first, middle, last)
- **Parents must come to the bus to pick up their student(s) - students will not be allowed to exit the bus without the parent present!**
- To depart the bus, the students must show the card to the Bus driver
- All parents will have 2 copies of the same card
 - ◆ **They must show the same/duplicate card** to the Bus Driver in order for the student to allowed off the bus
- Bus drivers will have a manifest to make sure both cards match (e.g. student and parent)
- If a parent encounters a challenge or unforeseen problem in picking their student up one day/afternoon/evening, the parent will be mandated to:
 - ◆ Transfer one of your cards to a delegated 3rd party and communicate with the school of attendance or Transportation who the 3rd party is
- After 5 minutes, as always, if no parent is present to receive the student, the student will be transported to the assigned route drop-off and await parent arrival for transitioning to occur
