Dear Parents and Guardians,

State testing is quickly approaching. Our state testing window will open 4/11/2023 and will run through 4/28/2023. I am writing to let you know your parental options with regards to your child's upcoming testing window.

Content Area*	Grades	Window
Mathematics <b>(65 minutes x 3)</b>	3 - 8	<b>Official Window:</b> April 10 – 28, 2023
English Language Arts <b>(90 mins x3)</b> (including CSLA Grades 3-5)	3 - 8	
Science <b>(80 minutes x3)</b> Grades 5,8 Science <b>(50 minutes x3)</b> Grade 11	5, 8, 11	

The tests are State Assessments. Every parent has the **right to exempt their child** if they think this is in the best interests of their child. If this is an option that you, as the parent, feel is best for your child, then **please fills out the attached form and return it ASAP, no later than 4/7/2023.**

If your **child will be taking the State Assessments**, please know that students **MUST** be on time daily during the testing window dates. There is only a limited amount of time to complete all of the required assessments. Also, once a testing session begins, and **if your student is late, they will not be allowed to be with their class until they have completed the missed until test.**

If you have questions or concerns, please reach out to your building principal. We appreciate your continued support and partnership.

Respectfully,

Michele Cheesman
